Jack,

She does need to participate. I went further out. Would Monday, October 17th from 12:30 – 1:30 PM (Indy time) work for you, Ryan and Terry?

Hold the horses, our attorney can't participate that day now. I am checking to see if she really needs to participate or not. Stay tuned. Also, based on your email below, you still want us to set up a conference call line with a code instead of EPA doing it, correct?
